

Trusted by Experts & Doctors

"As a pharmacist, I am well aware of how unregulated the supplement industry is and how diligent and careful one must be when choosing what to put in our bodies. I have full confidence in the integrity of NeoLife products. These whole food derived supplements are backed by incredible science, research, and a well-renowned Scientific Advisory Board. These are the supplements that I not only highly recommend but that I choose for me and my family daily."

Dr. Amanda Smith, PharmD

"When I recommend NeoLife products to my patients, I do so with full confidence, knowing the SAB's thorough research and their seal of approval stand behind them. The SAB seal guarantees both quality and safety, which reassures me that my patients are receiving the best of NeoLife's wellness solutions."

Dr. John Hickey, Doctor of Chiropractic

A Legacy of Science

NeoLife Scientific Advisory Board (SAB)

Founded in 1976 by Dr. Arthur Furst, a pioneer in toxicology, the Scientific Advisory Board (SAB) drives the cutting-edge research behind our science-based wellness approach. With top scientists at the helm, every product with the SAB seal undergoes rigorous testing to meet the highest standards of quality and efficacy. The SAB seal ensures each product is backed by the latest scientific research and pure, potent ingredients.

Meet the experts who stand behind every NeoLife product.
